

Want to find out more about ReSource?

We are looking forward to holding a ReSource Day on 4th November in the incomparable setting of Scargill House in Wharfedale.

The day will be led by the Director of ReSource, with worship led by the Scargill community and teaching from Bishop John Holbrook, ReSource's Chair of Trustees. There will be refreshments throughout the day, including lunch, all for a contribution of £10 to cover costs.

If you would like a day of retreat and inspiration, and find out a bit more about how ReSource might be able to support you as a church leader or your church, whatever its size, tradition or location, why not book up now through the Scargill office.

Phone 01756 760500 or email bookings@scargillmovement.org

The day will start with refreshments at 10.00am and run through to 5.00pm. And, yes, there will be time to walk and to pray, and to enjoy the atmosphere of this "thin place".

"Scargill's most important mission is to provide a generous welcome to all who find their way through our doors, and to make space for the mysterious transforming love of God to work in people's lives."
