A letter from the Director

ReSource's Ministry and Covid-19

Dear ReSource friend,

I am writing in the extraordinary and difficult circumstances we are in as a country to update you on the impact that this is having on ReSource's ministry.

The consequences for us are considerable and wide ranging. All our public events have been postponed for now. The support we are giving to church leaders in the *Alongside* programme can continue, using video conferencing and phone calls, but our office staff will now work from home, and we are already feeling the impact on our finances. Like everyone, we have had to adapt quickly, in rapidly changing circumstances.

Whatever the next few months hold we would like to continue to support you, your churches, and your church leaders. Please keep an eye on our website www.resource-arm.net for our weekly Blog and other materials that you might find helpful. Our *Intercessors' Network* is ready to pray for specific issues that you are facing personally, or as a church community. *ReSource Ministers* are making themselves available to speak to church leaders by phone or video call if anyone would welcome a listening ear. Just be in touch on office@resource-arm.net or 01952 371300. And we will also be in regular contact through our usual mixture of Newsletters and email bulletins.

Whatever these coming days hold, let's be mindful of one another, alert to the cry of a hurting world, and confident in the love of God, from which nothing can separate us.

With love and prayer,

The Ven. Kevin Roberts
Director of ReSource

PS. We are praying for you. Please be in contact if we can help.
