

An invitation to pray daily with and for ReSource

May June 2022

'Pain of Ukraine' by William Mather

William sent this picture to the ReSource office, soon after the beginning of the war in Ukraine. He wrote, 'The Christian teaching is that Jesus died on the cross for our sin. None of us is blameless, not least the soldier with the spear or the Russians with the missile. But the poignant promise through the pain – even the pain of Ukraine – is that the message of the cross is more powerful than any tyrant. Through it comes peace in the heart that lasts for ever.'

In this prayer diary you will find prompts for daily prayer, to bring the life and ministry of ReSource before our gracious God, alongside our continuing intercession for the needs of the wider world. During May and June this year, we are particularly bringing before God many of the church communities with whom we are currently working.

If, as you pray, you believe you have received a prophetic insight, or have an image or Scripture to share with us, please do email prayer@resource-arm.net.
